Our January Leadership In-Service session takes on a little lighter tone, yet the leadership content is still dead-on. (Who can't use a lighter tone in January?)

Are you a Treasure Seeker? Pirates are on a constant quest for riches, but PIRATE leaders seek even greater rewards: amazing schools, engaged students, and empowered educators who know they are making a difference. In this session, Shelley Burgess maps out the character traits necessary to captain a school or district and shares dynamic strategies to transform culture and climate. You'll learn where to find the treasure that's already in your classrooms and schools – and how to bring out the very best in your educators.

Take-Aways include:

- Ideas to help leaders tap into the inner genius of their team to encourage learning and growth
- Strategies to help leaders maximize their time
- Actions to help leaders earn trust
- A coaching model to support leaders in giving feedback that teachers value
- Models for how to transform professional learning in their schools

Shelley Burgess has served as an award-winning teacher, principal, Director of Student Achievement, and Assistant Superintendent of Educational Leadership. Her highly respected work focuses on building leadership capacity through coaching, collaboration, and building a positive culture of change which leads to dramatic improvements in teaching and learning. She now works as a full-time partner in Dave Burgess Consulting, Inc. and is the co-author of *P is for PIRATE: Inspirational ABC's for Educators* and *Lead Like a Pirate: Make School Amazing for Your Students and Staff*.
