

Number Sense Professional Network

Kick Off Event!

Math and general education teachers are invited to join the *Number Sense Professional Network*. An excellent opportunity to continue growing professionally through engaging presenters and training. This network will also give educators an opportunity to connect and ideate with other professionals about challenges, concerns, resources and knowledge.

\$150.00 Metro ECSU Member* / \$300.00 Non-member*

*This fee covers all three events

Speaker for 1st Session: Christy Pettis

Lecturer in the *Multiple Pathways to Teaching* department at the University of Minnesota, where she currently specializes in mathematics for elementary teachers. She also mentors new teachers and develops PD for teachers in grades K-12. Having taught at the elementary, middle, and high school levels, she is particularly interested in common ways that number sense and a love of mathematics may be cultivated in learners from kindergarten to college.
