Digital Accessibility is the inclusive practice of removing barriers that prevent interaction with websites and apps for people with disabilities.

Metro ECSU is collaborating with digital accessibility experts from Accessible 360 to help metro area schools develop and remediate school district websites and bring them in compliance with The Americans with Disabilities Act (ADA) and The Rehabilitation Act of 1973 that address digital accessibility law.

Presenters: Accessible 360

Michele Landis, Co-Founder & VP Business Development
Aaron Cannon, Co-Founder & Lead Accessibility Engineer

This workshop will cover:

- Accessibility trends
- Laws that govern digital accessibility
- An overview of case law in educational settings
- Introduction to the WCAG 2.0 standard for web content accessibility
- Simulation challenges
- How to plan for successful compliance
