

DATA DAY

DECEMBER 10TH, 2019

**AT MINNESOTA DEPARTMENT OF EDUCATION
CONFERENCE CENTER A CC-14**

Data Day for PBIS Coaches, Admin & Data Geeks!

Bring 2-3 people from your school site, along with your behavior and academic data, for a day of training all based around how to best utilize the data you are collecting! This is a day designed to give you new tools and resources, along with time to utilize those resources with the real-time data from your school. We will discuss how to best utilize PBIS fidelity, outcome, and effort data while providing tips on weaving in academic, attendance, and universal screener data.
