

Going Further with the 5 Voices: Team Kryptonite & Applied Learning for Your Team

Rynell Schock, GiANT Worldwide

February 25, 8:30 AM — 12:00 PM

At Metro ECSU

Metropolitan Education Leaders Network — Leadership In-Service Series

This is the third workshop of *5 Voices to Transform Team Communication*. Building on the content of previous sessions, this final session will conclude with a review and more strategies and tools to truly transform your team.

Team Kryptonite

- Learn the 5 main reasons why your team does not achieve it's potential
- Apply tools to avoid these pitfalls on a team

Applied Learning for Your Team – Learn how a CORE Process can enhance the performance of your team in any individual, team, or organizational meeting.

Next Steps to truly Transforming Your Team – Plan how you will take this learning to the next level to scale and sustain transformation in your team.

This is a sequel to the Oct 24/Dec 6 workshops with Rynell Schock. You may attend this session if you took part in at least one of the two previous sessions, and will be asked to review missing content (we'll send you the content to review.) This session is closed to those who have not attended a previous session.

"These workshops have helped me understand how to be a better leader by identifying, supporting, and utilizing the contributions of all five voices."
Participant in Dec 6, 2019
MELN workshop.

About the Presenter: Throughout her career in education, Rynell Schock has held a variety of leadership roles in support of bettering schools for students and staff including principal, literacy coach, professional development director, researcher, program developer and consultant. It brought her to the realization that she wanted to focus on building healthy leaders and supporting healthy cultures in organizations, acknowledging that everyone is a leader.

Who Should Attend: Education leaders – school and district administrators, principals, assistant principals, teacher leaders, teaching and learning directors, superintendents, content and instructional coaches, and other interested educators. **This session is appropriate for individuals and excellent for teams.**
