Implement the new MN Science Standards through
Team Teaching with Mother Nature!

"Learn innovative ways to address the new K-5
science standards by teaching outdoors."

Open the door – Let's explore! Join experienced
educators to experiment with innovative ways to
incorporate the new science standards using a
nearby space as an outdoor classroom.

Who should attend: PreK-8 educators,
naturalists, and all interested

- ❖ Hands-on exploration of outdoor learning opportunities for students
- ❖ Special emphasis on implementing the new Minnesota State Science Standards
- ❖ Taught by experienced online facilitators and outdoor teacher educators
- ❖ Engaging sessions designed for online and outdoor activities which can be shared and enjoyed with the whole family

CEUs for educators will be available

In compliance with the Americans with Disabilities Act, when special accommodations are needed, contact Angela Skrade (612-638-1528; angela.skrade@metroecsus.org) at least two (2) weeks before the event date.

Special accommodation cancellation notices are accepted no later than two (2) business days before the event date. Cancellations after the deadline will be billed for special accommodations fees.
