Meeting Agenda:

1:00-:00 Embedded Services to Support Student Outcomes (Susan Cecere)

Participants will understand the “why” of an embedded services approach and evidence that demonstrates embedded services support student outcomes. The “how” and “what” of designing and implementing embedded services will be discussed, including the sharing of assessment strategies that align with these concepts. Clinical reasoning using the embedded intervention mindset will be applied to a case during an activity.

Future Meeting Tentative Plans:

February 5 1:00 – 3:00 MA Billing with DHS & MDE
May 7 1:00 – 3:00 Goal Planning for '21-'22
