

MN Low Incidence Projects Region 11 Literacy Community of Practice is honored to bring professional development on

Word Study Instruction Virtual Training

January 13, 2021

9:00 a.m. to 11:30 a.m.

Word Study Instruction

This presentation will review the components of an overarching literacy framework while going in-depth with resources and strategies specific to the area of word study. The word study continuum begins with our most emergent students learning alphabet knowledge and phonemic awareness to our most advanced students learning how to use their phonics and morpheme knowledge for spelling by pattern and meaning.

Comprehensive Literacy Training Series

The Region 11 Literacy Community of Practice focuses on bringing more training opportunities to teachers and districts across MN, attempting to implement literacy with struggling readers. The overarching goal is to increase knowledge for those interested in literacy for students with low incidence disabilities (i.e., Developmental Cognitive Disabilities, Deaf/Hard of Hearing, Blind / Visually Impaired, etc.). This opportunity is the second within a series of short, basic trainings to provide resources and awareness of best practices in the field.
