

MN Low Incidence Projects Region 11 Literacy Community of Practice
is honored to bring professional development on:

Writing Instruction Virtual Training
March 4, 2021
9:00 a.m. to 11:30 a.m.

Writing Instruction

This presentation will review the components of an overarching literacy framework while going in-depth with resources and strategies specific to the area of writing instruction. The writing continuum begins with our most emergent students learning what writing is and how to produce writing to our most advanced students learning how to utilize writing traits through a conventional writing process.

Comprehensive Literacy Training Series

The Region 11 Literacy Community of Practice focuses on bringing more training opportunities to teachers and districts across MN, attempting to implement literacy with struggling readers. The overarching goal is to increase knowledge for those interested in literacy for students with low incidence disabilities (i.e., Developmental Cognitive Disabilities, Deaf/Hard of Hearing, Blind/Visually Impaired, etc.). This opportunity is the second within a series of short, basic trainings to provide resources and awareness of best practices in the field.
