

# PBIS Booster Training Day

Monday, August 2nd, 2021  
8:30-12noon and 12:30-2:30

Do you have new PBIS team members or a new PBIS coach?

Turnover in staff or administration?

Need a refresher or restart with the PBIS framework?

Gather your PBIS team members to attend on August 2nd for a full or 1/2 day, where you will review and reflect on current systems and practices and also have access to guided planning with MRIP Trainers and External Coaches.

AM - Tier 1 Booster and guided planning (8:30-12noon)

PM - Choose from one of 3 sessions:

- **Using the PBIS Cultural Responsive Field Guide**— Review the field guide and engage in a discussion on how to apply to your school site.
- **ISF (Interconnected Systems Framework)**- ISF is a structure and process to integrate PBIS and School Mental Health within school systems. Goal is to blend resources, training, systems, data, and practices in order to improve outcomes for all students.
- **PBIS in the Classroom**— Review key elements of *Integrating a Trauma-Informed Approach Within A PBIS Framework* and discuss how to apply the information at your school site (this session will focus on implementing the 6 Core PBIS Classroom Practices.)

**ALL afternoon sessions will be recorded for registrants to view after the PBIS Booster Training Day!**

This PBIS Booster Training Day is offered at **NO COST** to registrants!
