Comprehensive Literacy Training Series

The Region 11 Literacy Community of Practice focuses on bringing more training opportunities to teachers and districts across MN, attempting to implement literacy with struggling readers. The overarching goal is to increase knowledge for those interested in literacy for students with low incidence disabilities (i.e., Developmental Cognitive Disabilities, Deaf/Hard of Hearing, Blind / Visually Impaired, etc.). This opportunity is part of a series of short, basic trainings to provide resources and awareness of best practices in the field of literacy and disabilities.

This initiative is made possible in part with a grant from the Minnesota Department of Education using Federal funding CFDA 84.027A, Special Education - Grants to States. This conference does not necessarily represent the policy of the federal Department of Education or the state Department of Education; endorsement by the federal or state government should not be assumed.
