GOLD for Administrators

with Rose Kirschner, Teaching Strategies GOLD

LEARNING OBJECTIVES

- What is the purpose and structure of Teaching Strategies GOLD®?
- How might I support teachers using Teaching Strategies GOLD® throughout the four-step assessment cycle?
- How might I use the various teacher, family, and administrator features of Teaching Strategies GOLD®?
- What are the purposes of the major reports in Teaching Strategies GOLD® online?
- How do I edit data and generate various reports?
- How do I interpret reports and explain them to others?
- How might I use report data to inform decision-making?
- How can I identify implementation challenges and ways to overcome them?

PARTICIPATION PREP

- Access to online GOLD tool (login username and password)
- Wifi connectivity + Zoom link (sent via email prior to event date)
- Space with limited distractions/noise
- Ability to mute/unmute for discussion
