## CALLING ALL COACHES AGAIN!

Coaching Cohorts are back for a second year! Whether it's celebrating coaching highs or working through coaching lows, digging into resources or sharing a quick go-to tip, we know that coaches continue to learn a lot from each other.

All EQIP, CEM, & Pyramid Model coaches, all experience levels, are invited to join a VIRTUAL coaching connection cohort. Put on your active participation pants and join us for these interactive semi-structured sessions. Activities may include self-reflection, small group conversations, case studies, action planning + review, resource exploration...
