Meeting Agenda:

1:00 – 3:00 Linking Workload to Best Practices - in support of embedded intervention and student outcomes (Susan CeCere)

The session will include research evidence that supports related service providers implementing best practices that support student outcomes. This includes the approach to the IEP process and service delivery models that are contextual in nature and facilitate the use of the full complement of related services expertise. Strategies to develop a workload model in the district will be discussed and shared. Ties to the laws, regulations, ethics and practice act will be woven into the workload discussion.

Future Meeting Tentative Plans:

April 28 1:00 – 3:00
