**Audience:** The target participants of Paraprofessionals and future Teachers have expressed the continued need for virtual opportunities. We will provide registrants a link to a web page filled with pre-recorded presentations, replacing the in-person conference of the past. This link will include several different professional development segments to provide practical strategies in working with students and families of diverse cultures.

This initiative is made possible in part with a grant from the Minnesota Department of Education using Federal funding CFDA 84.027A, Special Education - Grants to States. This conference does not necessarily represent the policy of the federal Department of Education or the state Department of Education; endorsement by the federal or state government should not be assumed.
