

# CreativeCon

A Field Trip for Grades 5-8

January 11, 2024

8:30 am - 1:15 pm

Ted Mann Concert Hall  
University of Minnesota

**CreativeCon** is an interactive one-day field trip that challenges your students' creativity, strengthens their problem-solving skills, and ignites their imagination. This exciting day begins with a dynamic opening performance and brings students together with STEM and arts professionals during three breakout sessions.

## Benefits to Students

- Experiencing a day of hands-on learning that aligns with Minnesota Academic Standards in Arts Education
- Practicing independence while navigating a college campus
- Discovering new passions by connecting with local STEM and arts professionals

## 2023 Student Evaluation Data

- **96%** of students thought presenters provided real-world examples of how to use creativity and problem-solving
- **97%** learned that creativity is a skill that can be practiced and strengthened
- **95%** learned that creativity and problem-solving are important skills for everyone

## Student & Teacher Feedback

"I learned that we can show creativity in hundreds of ways!"

"I loved every session because I got to try and see new things!"

"I love to watch the presenters encourage the kids to think outside the box."

"The sessions spark interest for further exploration and curiosity after leaving."
