CEU Information: This course is awaiting documentation from the speaker to apply to the MN PT Board for CEUs. Although we plan to apply for CEUs, they are not guaranteed. Refunds will not be issued dependent on CEUs.

Course Description: This course will provide a presentation on foot orthotics, development, and assessment skills. This course will not provide training on fabrication. Course description and learning objectives will be updated once we receive more information from the speaker.

This initiative is made possible in part with a grant from the Minnesota Department of Education using Federal funding CFDA 84.027A, Special Education - Grants to States. This conference does not necessarily represent the policy of the federal Department of Education or the state Department of Education; endorsement by the federal or state government should not be assumed.
