The METRO RIP is offering a half-day workshop for Metro Cohort Schools on **Check-In/Check Out**.

This workshop provides information on this intervention and how to implement it within your S-W PBIS framework. Intended for schools that have experienced success with Tier 1 school-wide PBIS and are ready to focus on CICO as a Tier 2 intervention. This session is also available for schools that need to revisit their basic CICO implementation to ensure consistent outcomes.

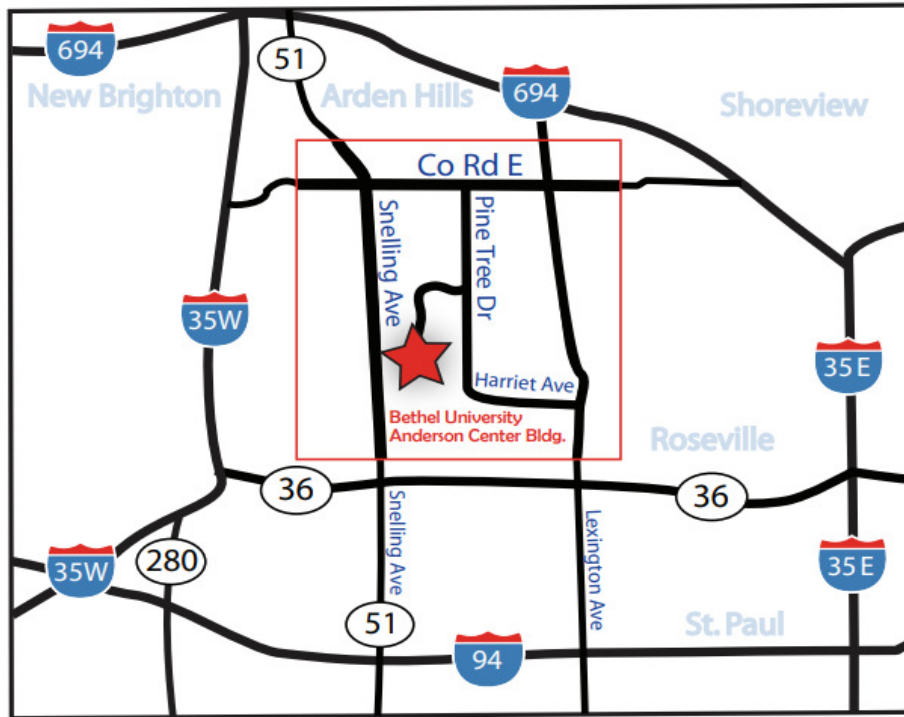

Dr. Kevin Filter has worked as a trainer, data consultant, and leadership team member for the Minnesota Positive Behavior Interventions and Supports (PBIS) Initiative since 2005. He has published several studies on FBA, Check-In/ Check Out (CICO), and PBIS as a professor in the school psychology program at Minnesota State University, Mankato. Dr. Filter worked with the authors of the CICO program in Oregon and has trained several schools and districts in Minnesota to implement it.

Schools are encouraged to
send teams of 2 or 3.
Cost: \$25.00 per person.
