Workshop Description:

NEW! January Workshop for Mentors Only: Mentors will check in about their “WHYs” and identify how knowing this information impacts their work. Tools will be shared with mentors to use with their protégés for the remainder of the school year. A few case studies will be discussed with a dissection of feedback that was or was not given and how to apply the feedback style to their own relationships.

Presenter:

Hilary Maag (she/her), Ph.D.: Dr. Maag has been providing various workshops for almost 20 years and brings them to life through storytelling, humor, and interactive activities. She earned her master’s degree in Deaf Education and Family Education from the University of Minnesota and her Ph.D. in Organizational Leadership from The Chicago School of Professional Psychology. Hilary has been involved with mentoring since 2001 and has been a protégé, a mentor, and a mentoring program coordinator. She has presented on the local, regional, and national levels and prides herself on making sure workshops are informative, entertaining, and worth your time!
