

**Michelle Eibensteiner, M.S.,
CCC-SLP**

I am a Speech-Language Pathologist here at Gillette-Children's. I work with a variety of children birth-18 years of age who have speech-language and/or swallowing/feeding delays/disorders.

Emma Marino, DPT, PCS

I am a physical therapist and board-certified pediatric specialist and have been with Gillette since completing PT residency in 2022. I am currently a member of the American Physical Therapy Association. I especially enjoy working with children of all ages to assist them in gait and functional mobility, especially with new walkers.

Megan Foster, OTR

I am an Occupational Therapist and Clinical Educator at Gillette Children's. I work with children and their families to improve their ability to participate in meaningful occupations in their daily lives. As a clinical educator I support our clinicians through providing continuing education, promotion of evidence-based practice, and facilitation of organizational incentives.

Annie Albers, M.A., CCC-SLP

I am a Speech-Language Pathologist working with patients 0-18 years old with varied medical diagnoses and speech/language/swallowing needs. I work with Rehabilitation Therapies virtual care programming to increase access to SLP, OT, and PT services and promote virtual care program development.
